Acronym	Definition													
MI	Missed instructions													
CVI	Instruction coverage (%)													
МВ	Missed branches													
CVB	Branch coverage (%)													
GT	Number of generated test cases													
FL	Failed tests													
SK	Skipped tests (execution errors marked as skipped)													
VT	Valid tests (number of executed tests minus failed and skipped ones)													
тк	Tokens consumed for test generation													
тм	Time spent for test generation													
CST	Total cost of the test suite (USD)													
СРТ	Cost per	Cost per generated test (USD)												
CPTV	Cost per	valid te	st (US	SD)
